

LEGO SUMMER CAMPS

FOR THE SERIOUS BUILDER - 2017

alice@bippitybricks.com

FANTASTIC BEASTS AND WHERE TO FIND THEM

Build the exterior and interior of MACUSA with magical doors, Tina's desk, and elevator, and the magical habitats and creatures within Newt's suitcase.

Session #1 August 14-18
9-noon, ages 8 and up

\$400 (This includes approximately \$150 worth of brick)

IN A GALAXY FAR, FAR AWAY...

Build a fleet of micro-scale ships and landscape vignettes to create a Rogue One game. Participants will build and design their own game that can be played individually and together in one massive space adventure.

Session #2 August 14-18
1-4 pm, ages 8 and up

\$400 (This includes approximately \$150 worth of brick)

All Camps

- 10 children per session
- In addition to learning building strategies, participants will learn the basics for stop motion animation and how to use their models in creating their own brick film. Towards the end of the week, participants will need to bring an iPad with the free app LEGO Movie Maker installed.
- These camps are great for kids who enjoy building a variety of challenging kits, want to explore how to do more interesting free building, and get ideas for how to play with what they've built.
- A full day camp option is available for \$900 if your child would like to participate in both camps and bring a sack lunch.
