

LEGO Summer Camps for the Serious Builder

alice@bippitybricks.com

In a galaxy far, far away....

Learn to build some of the most important features of the galaxy, such as a light saber, astromech, microscale ship, and distinctive galactic locations. In addition to learning strategies for free building, participants will learn the basics for stop motion animation and how to use their models in creating their own brick film.

Session #1 July 11-15 9 am to noon ages 6-9	Session #2 July 11-15 1-4 pm ages 9 and up	Session #4 August 8-12 9 am to noon ages 9 and up	\$400 (This includes approximately \$100 worth of brick)
--	---	--	---

Tree House Adventure

Learn how to design and build your own tree house and all the accessories to go with it, from water activities to camping to a science station. In addition to learning strategies for free building, participants will learn the basics for stop motion animation and how to use their models in creating their own brick film.

Session #3 July 18-22 1-3 pm, ages 6 and up	\$300 (This includes approximately \$100 worth of brick)
---	---

All Camps

- 10 children per session
- These camps are great for kids who enjoy building a variety of challenging kits, want to explore how to do more interesting free building, and get ideas for how to play with what they've built.
- Towards the end of the week, participants will need to bring an iPad with the free app LEGO Movie Maker installed.

Registration and Cancellation Policy

- Spots are filled on a first come first serve basis. If interested, please send the following information to alice@bippitybricks.com
 - Child's Name and age, experience level, and favorite set that they have built recently
 - Session you are interested in
 - Parent name(s), cell phone(s), and email
- Upon confirmation of acceptance, please send payment to above address
- Camps will be held in my home on Mercer Island.
- Cancellation up to 21 days prior to the first day of class will receive a refund of \$100.
